

ESSER III Review Stakeholder Survey Results - 1/25/22

Q1:

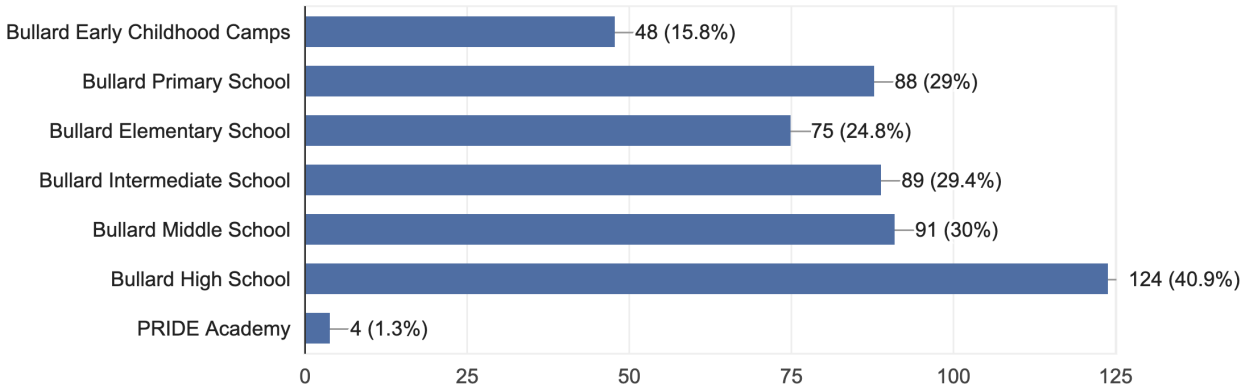

1. What is your role relative to the school district? Please check all that apply.

305 responses

Please select the campus that is related to you and/or your child's involvement.

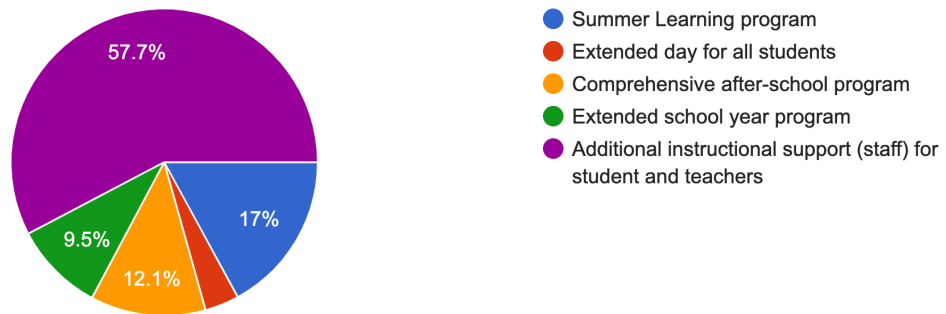

303 responses

Q2:

2. In order to address learning loss due to the COVID-19 pandemic, which of the following allowable activities would be most beneficial?

305 responses

Please list any other activities and/or support systems that are not currently being offered to students and/or staff you feel would address student academic, social, and/or emotional needs. Please type "None" if there are no suggestions.

(305 responses)

Q3:

What suggestions do you have for school facility repairs and improvements to enable operation of schools to reduce the risk of virus transmission and exposure to environmental health hazards and to support students' health needs? Please type "None" if there are no suggestions.

(305 responses)

Q4. What suggestions do you have for inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in schools facilities? For example, mechanical and non-mechanical heating, ventilation, and air conditioning systems; filtering purification and other air cleaning, fans, control systems; window and door repair and replacement. Please type "None" if there are no suggestions.

(305 responses)

Q5: What suggestions do you have for developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from CDC for the reopening and operation of school facilities? Please type "None" if there are no suggestions.

(306 responses)

To help us prioritize our needs, after looking at questions #3-5 above, which of those do you feel would be most beneficial to our district?
